

ROAD BOARD

MINUTES

October 25, 2012

The Weakley County Road Board met in regular session on Thursday, October 25, 2012 at 5:30 p.m. at the Hwy. Dept. The member present was Commissioner Bobby Robinson. Public Works Commissioners Joe Farmer, Mike Medling, Larry Taylor, Bob Bell and James Bynum were present.

Supervisor Hopper called the meeting to order . The minutes of the previous meeting were approved by Commissioner Robinson.

Old Business: Supervisor Hopper informed the boards concerning the process of the asphalt plant. A feasibility study will be done before it can be approved for Weakley County to obtain the plant. If we do get it we will not be allowed to sell the product.

New Business: Resolution # 2013-12 Budget transfer will transfer funds from Misc Refunds back into the crushed stone line. This is for reimbursement from City of Martin for Martin Spec Bldg. gravel in the amount of \$4,300 and to transfer funds back into the guardrail line from insurance proceeds due to damage on Liberty Rd. Commissioner Robinson being the only member present agreed to present the resolution to the full commission and the FWM committee.

There being no further business, meeting adjourned.
